Top reasons to publish with **SAGE**

As the world's leading independent international academic publisher, we pride ourselves on playing a creative role in society by disseminating teaching and research on a global scale.

Choice of publishing model

- Traditional subscription journals
- SAGE Gold Open Access journals
- ► SAGE Choice: Open Access in SAGE subscription journals
- ▶ Green Open Access archiving

Highest production value

- Rigorous peer review, high quality copyediting, typesetting, proof checking, printing and online publication.
- Online production: SAGE track (manuscript submission), OnlineFirst (publishing ahead of print) and continuous publication (on Open Access titles).

- Partnership with Figshare, the open repository of research data. Supplemental material is displayed next to the article on SAGE Journals.
- Partnership with Kudos, the free service that allows authors to explain, enrich, share and measure the impact of their article.

Global reach

- International sales and marketing activities designed to maximise the visibility, usage and citations of the journals we publish.
- Access to journals at institutions in developing countries.

Promotion of your article

Suite of marketing tools designed to drive downloads of content amongst both academic and practitioner communities.
